Proud moment for Child Heart Foundation

We're proud to share that Child Heart Foundation (CHF) has received the **Green Tech Foundation Award 2025** for our dedication to providing life-saving heart care to underprivileged children. This recognition celebrates our mission to ensure no child is denied treatment due to financial constraints. Through free cardiac screenings, expert consultations, and advanced heart treatments, CHF continues to heal little hearts and bring hope to families in need.

A heartfelt thank you to our medical teams, donors, and supporters for making this possible.

PROGRAMME HIGHLIGHTS:

CHF & Gail Gas takes Initiative

With the support of GAIL Gas Limited, Child Heart Foundation has now begun screening little hearts in Agra! On 10th June

Together, we're bringing hope closer to home. With the support of GAIL Gas limited , Child Heart Foundation has now begun screening marginalized community Children below age 18 in Agra with a focus on the early detection of Congenital Heart Disease (CHD). on 10th June, we held a medical camp in Fatehpur, Agra during our camp we Screened 148 Children and over 6 were found with the suspected Heart murmurs. their journey to timely treatment has now begun.

Child Heart Foundation, in collaboration with CBRE Ek Pehal

Organized a medical camp and awareness session for construction workers and their families in Sector 42, Gurugram.

As part of the initiative, 65 children were screened, and 1 child was found to be a suspected case of (CHD). The camp not only provided health check-ups but also educated families about CHD, its symptoms, and the importance of early diagnosis and treatment.

Echo Machine Donated by NTPC

Child Heart Foundation is grateful to NTPC for generously donating an Echocardiography (Echo) Machine to strengthen our mission of helping children with (CHD). This advanced diagnostic equipment will enable our doctors to detect heart defects early, monitor treatment progress, and provide timely interventions to children from underprivileged families.

CONSTRUCTION WORKERS AWARENESS PROGRAM BY CBRE EK PEHAL & CHF

CBRE Ek Pehal, in partnership with Child Heart Foundation, organized an awareness program and medical camp for construction workers and their children. The initiative focused on educating families about Congenital Heart Disease (CHD), highlighting its symptoms, importance of early detection, and available treatment support. Through health check-ups and awareness sessions, the program aimed to empower underprivileged communities with knowledge and access to healthcare, ensuring healthier and brighter futures for their children.

EVENTS :

Independence Day by CHF:

Child Heart Foundation proudly celebrated Independence Day with our brave CHD Heart Warriors and their families. The day was filled with joy, colors, and patriotism as children unfurled the tricolour, sang national songs, and shared their stories of courage and survival. sense of unity for all involved.

Breathe In. Smile Out. Heal Within.

This Yoga Day, Child Heart Foundation joined hands and hearts to celebrate the power of breath, balance, and inner peace —for healthier hearts and brighter futures.

Janmashtami Celebration with CHD Heart Warriors

Child Heart Foundation celebrated the joy of Janmashtami with our little CHD Heart Warriors and their families. The children dressed up as little Krishna and Radha, filling the day with laughter, devotion and colors of tradition.

CHF and CBRE held Camp in Gurugram

The Childheart Foundation, in collaboration with CBRE Ek pehal, organized a medical camp on Kosha foundation Gurugram,. A total of 112 children were screened, and 5 children were suspected of having congenital heart defects (CHD) and are receiving further treatment. This initiative helped ensure that children in the community received vital health screenings and support.

CBRE "EK PEHAL" & CHILD HEART FOUNDATION CELEBRATE NEW BEGINNINGS!

It was a heartwarming moment as CBRE's Ek Pehal and Child Heart Foundation celebrated our brave Heart Warriors – children who got a new life through this partnership. Mr. Anshuman Magazine and Ms. Raka Chakraborty met the young champions and CHF team, spreading smiles and hope.

Together, we're helping every tiny heart beat stronger.

Medical Camp in Dadri with NTPC

On 17 April, Child Heart Foundation, in collaboration with NTPC, organized a medical camp in Dadri to screen and provide consultation for children at risk of Congenital Heart Disease (CHD).

During the camp, 130 children were screened, and 5 children were identified as suspects for echo evaluation, ensuring timely referral and care.

CBRE: Spreading Heart Health Awareness

On Saturday, 17th May 2025, under CBRE Ek Pehal, Child Heart Foundation conducted a successful awareness program with ASHA and ANM workers.

A total of 27 frontline health workers participated, learning about early detection of Congenital Heart Disease (CHD), symptoms to watch for, and how timely intervention can save young lives.

This initiative reflects the power of collaboration between corporate partners and community health workers in creating healthier futures for children.

CHF and IGL held Camp in Karnal

The Child Heart Foundation, in collaboration with Indraprastha Gas Limited (IGL) CSR, organized a medical camp in Karnal. A total of 108+ children were screened, and 8 children were suspected of having congenital heart defects (CHD) and are now receiving further evaluation and treatment. This initiative aimed to provide early detection and timely medical support to children in need, ensuring better heart health for the community.

Medical Camp in Delhi Slum Areas with ABB

Child Heart Foundation, in collaboration with ABB, conducted an awareness session with ASHA, ANM, and Anganwadi workers in Sarmika Vihar, Faridabad, to strengthen early detection and awareness of (CHD). A total of 26 frontline workers participated, gaining insights on CHD symptoms, referral processes, and support services.

Awareness Camp in Agra with support of Gail Gas

With support from GAIL Gas Limited, Child Heart Foundation held an awareness session in Agra on 1st September 2025. Over 35 community workers participated, leading to the identification of 3-4 children with suspected Congenital Heart Defects (CHD) – a vital step toward early detection and care.

INDRAPRASTHA GAS LIMITED (IGL) & CHILD HEART FOUNDATION CELEBRATE NEW BEGINNINGS!

Child Heart Foundation, with IGL CSR, held its first CHD Awareness & Medical Camp in Karnal, graced by Mr. Sanjay Raghav (Chairman & CEO, IGL).

108 children screened, 6 suspected of CHD, now receiving care. A new beginning for little hearts in Haryana! The event was also covered in Karnal news press releases, spreading awareness across the community.

Caring for Little Hearts in North Delhi

Child Heart Foundation, in collaboration with ABB, organized a medical screening program in North Delhi to detect congenital heart issues in children. Over 100 children were screened, and those suspected of CHD are now receiving timely treatment and care. We extend our heartfelt thanks to Ms. Dhenuka, Mr Dheeraj for their support in making this initiative possible and giving every child a chance at a healthier heart.

Child Heart Foundation Celebrates World Heart Day 2025

On 29th September 2025, Child Heart Foundation (CHF) celebrated World Heart Day at Panchsheel Club, New Delhi, with a heartwarming gathering of supporters, partners, and beneficiaries.

The event was graced by Chief Guest Rtn. Ajeet Jalan (DG Elect, Rotary District 3011) and Guests of Honor – Rtn. Anil Agarwal, Mr. Pratyush Panda, and Ms. Sneh Daheriya, whose presence added warmth and encouragement.

The celebration featured performances, games, and interactive activities by CHF's Heart Warriors and families, ending with a special cake-cutting ceremony symbolizing unity and hope.

Through this celebration, CHF reaffirmed its mission to raise awareness about Congenital Heart Disease (CHD) and ensure that every child gets the chance to live a healthy, happy life.
